PROGRAM GUIDE

M-NASR

MAINE-NILES ASSOCIATION OF SPECIAL RECREATION

An extension of:

Des Plaines Park District | Golf Maine Park District | Morton Grove Park District
Niles Park District | Park Ridge Park District | Skokie Park District
Village of Lincolnwood Parks and Recreation

From M-NASR's Executive Director

Fall fun begins with M-NASR

Although it's still warm outside, I'd like to wish you an early welcome to fall! Staff have been working hard to plan festive, fall-themed events as well as our regular popular programs. The annual Halloween Party, generously hosted by the Liponi Foundation, is back October 23 and Brunch with the Grinch, in cooperation with the Morton Grove Park District, is December 20. While fall programs end on November 15, the fun continues with our bonus programs and events that will run from November 30 to December 18. For youth and teens, there is also the always fun winter break camp, offered during the weeks of December 21 and 28. On a fundraising note, M-NASR will be hosting its third annual Bingo Night fundraiser on Saturday, November 7. This exciting event is very popular and is sure to sell out, so make sure to register early.

While fall programs end on November 15, the fun continues with our bonus programs and events that will run from November 30 to December 18!

You may notice a few new faces in this brochure. We've expanded our Inclusion department, and added Emily Thompson as manager and Sandy Garcia as an additional coordinator. Also, Gracie Wilcox is our newest Recreation Specialist. Welcome to M-NASR!

We hope you are enjoying the end of your summer and look forward to seeing you with M-NASR this fall!

Regards,

Trisha Breitlow
Executive Director

December 2026 Bonus Session

In addition to our regular fall season that runs from September 8 through November 15, we are offering a bonus session November 30–December 18. Our bonus programs and events are highlighted in our program listings in light purple like you see here.

Program Goals

M-NASR recreation programs are designed specifically to assist in the enhancement of physical, cognitive, emotional, social and leisure development so that individuals may participate fully and independently in their life pursuits. Each program description includes a visual key of which domains our certified full-time staff are incorporating into lesson plans. More details are in the chart below.

M-NASR Recreation Program Goals

Domain	 Mental/ Cognitive	 Physical	 Psychological	 Social
Potential Outcomes or Benefits	• Increased emotional regulation • Enhanced feelings of autonomy • Greater sense of meaning • Improved self-determination • Increased optimism • Increased feelings of balance and stability	• Increased mobility • Improved strength • Increased endurance • Restored function • Enhanced immune system • Improved blood pressure • Reduced tension • More restful sleep • Increased energy levels	• Increased ability to stay focused • Improved memory • Better concentration • Developed goal-setting skills • Ability to follow directions • Enhanced problem-solving • Decreased feelings of isolation and loneliness	• Improved communication skills • Developed interpersonal skills • Ability to demonstrate reciprocal relationship skills • Increased social confidence

Program Eligibility

M-NASR employs experienced professionals who understand the level of skill, both physical and mental, needed to participate fully and safely in the programs they plan. Therefore, M-NASR reserves the right to determine if a program is suitable for an individual. Staff may serve as a resource to suggest alternate programming.

Registration Information

Resident Registration Process

Priority registration will be given to individuals residing in M-NASR's seven-member park district boundaries with the resident (R) program fees rate. These park districts include Des Plaines, Golf Maine, Morton Grove, Niles, Park Ridge, Skokie and the Village of Lincolnwood Parks and Recreation Department. After the priority registration deadline, non-resident registration will begin.

Non-Resident Registration

Non-residents will be allowed to register online for M-NASR programs after the resident priority registration deadline. Individuals residing outside of the M-NASR boundaries are required to pay the non-resident (NR) fees for programs. Door-to-door transportation is not available for non-residents.

Non-residents may submit their paper registration to the M-NASR office at any time. Registration forms will be processed in the order that they were received beginning on the first day of non-resident registration.

Registration Lottery and Minimums

During the priority resident registration period, programs may reach their maximum enrollment limit. If this occurs, M-NASR will conduct a lottery among all residents who registered during that time to determine which participants are confirmed/enrolled in the program.

Each program is designed to operate within a specific minimum and maximum number of participants to ensure quality and safety. If a program does not meet the required minimum enrollment, M-NASR reserves the right to postpone the program, adjust the schedule or cancel it entirely. In the event that M-NASR cancels a program, all participants who have registered will automatically receive a full refund of their fees.

How the Fall 2026 registration lottery works:

2 ways to register

1

Register Online

To register, **click [here](#)**. Please call 847-966-5522 for online registration login information if you do not have it. M-NASR accepts Visa, MasterCard and Discover cards. Apple Pay and AmEx are not accepted.

2

Print and Send or Drop Off

If you prefer not to register online, a Registration Form can be found on page 29 and can be submitted in one of the following ways:

1. Mail your completed form and payment to:
M-NASR Registration, 6820 W. Dempster,
Morton Grove, IL 60053
2. Fax your completed form to 847-966-8340.
Please call for confirmation of receipt.
3. Email your completed form to
registration@mnasr.org.
4. Drop off your form in person at the M-NASR office.

Registration Deadline

It is important that registrations are received by our deadline listed in the brochure. Registrations received after the deadline may be accepted if additional spaces, tickets, seating and leadership are available.

ePACT Participant Emergency Information

Once registered for a program, you will receive an email invitation to share your emergency information with M-NASR via an online platform. Participants who have not yet completed one must have a completed emergency form submitted through ePACT prior to the start of a program session. Assistance is available for anyone with questions. You will be asked to reconfirm your account each year to keep your information current.

Payment

Full payment is required at time of registration. Payment may be made by check, cash or credit card. M-NASR accepts Visa, MasterCard and Discover cards. Apple Pay and Amex are not accepted.

Financial aid may be available for those who qualify and who complete a current year's Financial Aid Application, along with a print registration form, by the program registration deadline. M-NASR's Financial Aid Application form and full guidelines can be found by clicking [here](#). Financial aid is not available for transportation, special events or for participants residing out of M-NASR's service district.

If a payment plan is needed, please contact the M-NASR office. Any balance due from a previous season must be paid in full before registration is accepted for the current season.

Inclusion Services

Inclusion provides opportunities for individuals with disabilities to participate alongside their non-disabled peers in recreation programs. M-NASR works cooperatively with member agencies to provide training and education to staff, as well as resources and reasonable accommodations to include individuals with disabilities registered for recreational programs they offer. We believe that all individuals should be provided with leisure opportunities that allow for performance at their highest level of ability.

Inclusion services are provided to participants free of charge when registering through a member agency's program. We ask for a minimum of two weeks notice in order to provide adequate accommodations.

Inclusion requires a collaborative effort between parents, the Program Inclusion Assistant, the park district program staff and M-NASR staff working together throughout the program to provide a successful inclusive experience.

If you would like more information or have questions regarding the inclusion process, please contact M-NASR. For member agency contact information, see page 31.

Emily Thompson, CTRS
ethompson@mnasr.org

Emily is our Inclusion Manager. Her background includes adaptive sports and recreation, adaptive camp programming, therapeutic recreation and work in higher education Disability Services. In her free time, she enjoys spending time outdoors and with family, and going on adventures with her husband and dog.

Sandy Garcia
sgarcia@mnasr.org

Sandy Garcia is M-NASR's new Inclusion Coordinator. She has a background in Psychology as well as Recreation Therapy and experience with adaptive sports. In her free time, she enjoys playing soccer and going on runs. She'd like everyone to know she is excited to be a part of the team and to meet everyone!

Meet Sandy

Nicole Kubica, CTRS
nkubica@mnasr.org

Nicole, one of M-NASR's Inclusion Coordinators, loves hearing about what participants are up to and cheering on their accomplishments. She never misses an opportunity to crack jokes at programs and enjoys sharing pictures of her dog, Simba.

Meet Nicole!

Sensory Strides

Individual one-on-one sessions for ages 3 & up!

Engage your senses and take meaningful strides at M-NASR's therapeutic sensory sessions! Our Recreation Therapists will assess each participant's abilities, interests and needs and will create an engaging program unique to each individual. We will use our specialized sensory equipment to assist you in achieving physical, emotional and social goals, from developing body awareness in the vibroacoustic learning chair to expressing emotions through our sound beams.

In addition, we'll identify sensory tools that can be used outside of our room that will help you continue your strides at home, school and work. This program includes weekly, 45-minute visits working one-on-one with our certified staff.

Note: Due to popularity and limited spaces, participants can only choose one Sensory Strides program per season.

Wildcats Basketball Skills

Love the game of basketball, but need some help learning the skills at a more individualized level? Practice the skills of dribbling, passing and shooting at our basketball skills program! Athletes may compete in the Special Olympics Basketball Skills competition on Sunday, Dec 6 and be scored based on Spot Shot, Ten Meter Dribble and Target Pass. This event provides meaningful competition for athletes with lower ability levels, athletes that do not have access to participate on a team and athletes with equipment or mobility assistive devices that, for safety reasons, cannot participate in team play. Coaches will guide you in the abilities you need to get ready for competition.

M-NASR General Policies & Information

M-NASR Code of Conduct Policy/Behavior

All participants and family members are expected to exhibit appropriate behavior at all times while participating, spectating or attending any program or activity sponsored by M-NASR. This includes participation in programs that may or may not require an admission fee. For the purpose of the Code of Conduct, the term "program" refers to all recreational events you may attend as a participant, spectator or visitor, which are sponsored by M-NASR. Participants and family members shall:

- Show respect to all participants, family members and program staff and/or supervisors.
- Not possess any weapons.
- Refrain from using foul language or other offensive behavior including but not limited to rude gestures or sexually explicit language.
- Refrain from inappropriate touching.
- Refrain from causing bodily harm to self, other participants or program staff/supervisors.
- Show respect to equipment, supplies and facilities.
- Not elope or run away from program staff or facility.

Discipline Policy

A positive approach is used when disciplining. Program staff may discuss the Code of Conduct with all program participants prior to the start of the program and will periodically review the Code of Conduct. If inappropriate behavior occurs, staff will develop a solution specific to each situation as it arises. M-NASR reserves the right to dismiss a participant whose behavior endangers them or others.

Participant Expectations

1. Clean, dry clothing.
2. No bowel/bladder problems upon arrival at the transportation location or program. If this is a concern, extra clean clothing, clean-up supplies and Depends™ garments or similar items must be sent with the participant.
3. Attention to body odor (should smell clean).
4. Clean hair, face, teeth, hands, nails, etc. (overall appearance should be clean).
5. Appropriate attire for program participation (i.e. tennis shoes, warmups or loose/comfortable fitting clothing for athletic/sports/exercise programs). If you have questions about the type of attire participants should wear for a particular program, please contact our office.
6. M-NASR staff will also be consistent in stressing personal hygiene while participants are in our programs and will not return participant(s) in an unclear manner at the end of a program.

Equal Access

No eligible participant shall, on the basis of race, creed, national origin, disability, sexual orientation, sexual identity or any other class protected by law, be denied equal access to programs, activities, services or benefits or be limited in the exercise of any right, privilege, advantage or opportunity. If any special accommodations are necessary for participation in any program or to receive any service provided by M-NASR, please notify the staff upon registration.

Parent/Guardian Pick-Up/Drop-Off Policy

To eliminate additional staff costs, please pick up participants at the designated time. A late fee will be assessed if pick-up is not on time. A fee of \$10.00 for the first 15 minutes and \$1.00 each minute thereafter will be charged.

Wellness Policy

In consideration of other participants and the M-NASR staff, to prevent the spread of contagious illnesses, it is requested that participants refrain from attending programs when any of the following conditions exist: Fever or vomiting within the last 24 hours, persistent diarrhea in conjunction with other symptoms, contagious rash or rash of unknown origin, persistent cough and/or cold symptoms, "pink eye" (conjunctivitis) or discharge from eye, symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo or coxsackie virus, runny nose with yellow or green discharge, lice/mites present or fatigue due to illness that will hinder participation and enjoyment in the program.

Medical Assistance/Apparatus Needs

Any and all participants are welcome in M-NASR programs, but if they have a medical need or need an apparatus, they (the participant, the participant's family or the group home) must provide a trained individual to volunteer for each program for the entire duration of each program and have a criminal background check completed. M-NASR will pay for any program-specific expenses for the volunteer (i.e., admission to a movie or event, dinner for a dinner program, etc.). M-NASR reserves the right to determine if a program is suitable for a participant.

Dietary Restrictions

For activities where food is consumed, please advise M-NASR of any dietary restrictions prior to programs. Accommodations will be made to the best of our ability.

Americans with Disabilities Act (ADA)

Services, programs and activities of the Maine-Niles Association of Special Recreation are subject to all applicable laws regarding nondiscrimination, including the Americans with Disabilities Act (ADA). Programs are provided through the Association by offering classes for individuals with similar impairments. However, classes are open to any individual as long as age and skill requirements are met. If you, a family member or friend has a disability and are interested in participating or attending member park district programs or activities, each park district will make reasonable accommodations to facilitate that opportunity. Member agencies may offer reasonable accommodations by: Providing communication aids and services, removing barriers, selecting available alternative activity sites or taking other appropriate actions. The ADA Coordinator for the Maine-Niles Association of Special Recreation (6820 Dempster St., Morton Grove, IL 60053) is Lisa Barrera, Superintendent of Recreation. She can be reached at lbarrera@mnasr.org.

Extreme Weather Policy

In the event of severe weather, M-NASR reserves the right to make the decision to cancel programs in the best interest of participants and staff.

- Hot temperatures (for outdoor programs) at program time: 94° actual temperature; heat index of 98° or more constitutes cancelling program due to unsafe conditions. Extra consideration will be made for outdoor programs that require physical activity.
- Cold temperatures (for all programs) at program time: 2° actual temperature; -30° or below wind chill constitutes cancelling program due to unsafe conditions.
- Due to M-NASR's use of high profile vehicles for our transportation services, M-NASR transportation may be cancelled during high wind conditions or advisories.

M-NASR General Policies & Information

Refund Policy

Refunds may be issued in the following circumstances:

1. If the Association cancels a program, a refund will be issued or the program will be rescheduled unless it is weather-related.
 2. Weekly programs cancelled due to inclement weather are not rescheduled. Refunds will be issued for weather cancellations of two or more times per season. Special events and social clubs that are cancelled due to inclement weather will be rescheduled or refunded.
 3. If a participant cancels out of a weekly program with two full business days' notice prior to the start of the program, a refund will be issued (less \$5.00 cancellation fee).
 4. Satisfaction Guaranteed Program: Participants will receive a full refund if there is dissatisfaction for any reason with the program, after the first class session, but before the second class session.
 5. After a program or activity has started, a pro-rated refund will be issued for medical or unavoidable circumstances such as transfer of job, moving, death in the family, etc. Proof may be required in writing.
 6. For one-day classes, workshops and special events, if a participant cancels out of a program with two full business days' notice prior to the start of the program, a refund will be issued, less \$5.00 cancellation fee and any overhead cost items which the Association cannot retrieve (i.e., tickets purchased in advance, airfare, hotel cost, etc.). If the reason is for medical or an unavoidable circumstance, proof may be required in writing prior to a refund being given.
- Program refunds are issued on a monthly basis.
 - Refunds for credit card transactions will only be issued in the form of a credit back to the original credit card.
 - Refunds will only be issued to the entity that originally paid for the program.

Refunds of scholarship dollars will not be issued to anyone receiving M-NASR financial assistance when a program is cancelled or a participant is unable to attend.

Liability Information

Please recognize that M-NASR does not carry medical accident insurance for injuries sustained in its programs or at its facilities. The cost of such could make program fees prohibitive and could result in the reduction or elimination of certain programs and facilities. Therefore, each person registering themselves or a family member should review their own health insurance policy for coverage.

Participants and parents of participants must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. M-NASR continually strives to reduce such risks and hold the safety of participants in the highest regard. Certain programs offered by M-NASR will require a high risk waiver to be filled out and signed by participants or legal guardian prior to the start of a program. Programs requiring this waiver include, but are not limited to, gymnastics, overnight trips, sledding, skiing, ice skating, canoeing, martial arts and paddling. Program staff will provide all registrants with a waiver after registration.

Due to the difficulty and high cost of obtaining liability coverage and to continue our commitment to provide recreational services, M-NASR requires the execution of the Waiver and Release found in the registration form. Your cooperation is greatly appreciated.

Transportation

A minimum of two riders is required for M-NASR to provide transportation. For ongoing programs that offer door-to-door transportation, it is only available to participants residing within the M-NASR boundaries. Door-to-door transportation times for residents will be determined based on registrations and communicated prior to program. Non-residents wishing to utilize transportation for special events will need to arrange to be picked up and dropped off at the M-NASR office. Transportation is not guaranteed for those who sign up after the registration deadline. Programs providing pick-up and drop-off points list convenient, public locations. The transportation times listed in the brochure are subject to change, based on registration. Riding times may be up to 90 minutes.

All participants must be punctual in respect to scheduled pick-up and drop-off times. M-NASR vehicles will remain at designated locations for five minutes after the scheduled time. After that time, the vehicle will proceed to the next point. Participants remaining at a drop-off location for an extended period after the scheduled time will be brought back to the M-NASR office for pick-up at the completion of the route. The following safety requirements will be enforced when M-NASR transportation is used:

1. All passengers must remain sitting in seats or wheelchairs with seatbelts securely fastened during transportation.
2. Transport chairs will be allowed on M-NASR vehicles; however, the participant will be required to transfer to a van seat to be safely secured on the van.
3. All wheelchairs must have brakes that are in good working order and can stop the chair from moving.
4. When door-to-door transportation is offered, the M-NASR driver may assist participants to and from their homes, but driveways and walks must be cleared.
5. The M-NASR drivers are not responsible for lifting or carrying participants or their wheelchairs.
6. The M-NASR drivers are responsible for determining whether a participant can be transported safely. If it is determined that it would be dangerous to transport an individual, the driver may refuse to transport that person.

Errors and Adjustments

While M-NASR strives to be accurate in presenting information in our brochure, some unavoidable errors or changes to the programs, fees, schedules and other information may occur.

We apologize for any inconvenience. Please see the digital version of this brochure at mnasr.org/brochuredownloads for updates that may occur after printing.

IMPORTANT INFORMATION

Please recognize that M-NASR does not carry medical accident insurance for injuries sustained in its programs or at its facilities. The cost of such could make program fees prohibitive and could result in the reduction or elimination of certain programs and facilities. Therefore, each person registering themselves or a family member should review their own health insurance policy for coverage. Participants and parents of participants must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. M-NASR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/program. You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating and other risks inherent to the particular activity. In this regard, it is impossible for M-NASR to guarantee absolute safety. You should consult your physician or other health care professional before starting this virtual or in-person recreational program to determine if it is right for your needs. If you experience faintness, dizziness, pain or shortness of breath at any time while participating you should stop immediately. If you choose to participate with this virtual or in-person recreational programming, you do so at your own risk and acknowledge that the activity/program carries an inherent risk of physical injuries. It is your responsibility to ensure there is adequate space for your child/ward to follow the instructor's directions and movements safely and without the possibility of tripping or colliding with objects, furniture, walls, stairwells, or any other object that could pose a potential injury, and that each parent/guardian is solely responsible for assessing if they can participate safely in the space they have chosen. To the extent permitted by law, M-NASR and its affiliates disclaim any and all liability in connection with the activity/program in this virtual or in-person programming and any instructions and advice provided.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation services and vehicle operations, when provided). I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against M-NASR, including its officials, agents, volunteers and employees.

*** I understand that unless specifically stated in writing at the time of registration, photographs of participants may be taken, I realize that our rights to privacy will be protected in all photographs and publications of M-NASR activities. I have been made to understand that no personal information other than names and hometowns will be released under any circumstances and this meets with my approval.

Please sign and date the previous page of this registration form to acknowledge that you have read this information. Registration cannot be processed without a signature and date.

You have four ways to return your form:

The Liponi Foundation for Special Recreation

The Liponi Foundation for Special Recreation was founded in 1990 to support the Maine-Niles Association of Special Recreation (M-NASR). Every dollar raised by the Liponi Foundation goes directly to assist M-NASR in its mission to provide individuals with disabilities access to meaningful and life-enriching recreation and leisure opportunities.

Donations to the Liponi Foundation fund the following:

- the purchase of accessible vehicles to help transport M-NASR participants to programs and events
- the Stella LiPomi Memorial Scholarship Fund, enabling M-NASR participants to access programming regardless of financial circumstances
- the sponsorship of two popular annual events for M-NASR participants – the End-of-Summer party and Halloween Dance

For more information about the Liponi Foundation, including volunteering, donating or attending future events, contact Trisha Breitlow at tbreitlow@mnasr.org or 847-966-5522.
