Please recognize that M-NASR does not carry medical accident insurance for injuries sustained in its programs or at its facilities. The cost of such could make program fees prohibitive and could result in the reduction or elimination of certain programs and facilities. Therefore, each person registering themselves or a family member should review their own health insurance policy for coverage. Participants and parents of participants must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. M-NASR continually strives to reduce such risks and holds the safety of participants in the highest regard. M-NASR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/program. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. I understand that it is my responsibility to ensure there is adequate space for my child/ward to follow the instructor's directions and movements safely and without the possibility of tripping or colliding with objects, furniture, walls, stairwells, or any other object that could pose a potential injury, and that each parent/guardian is solely responsible for assessing if they can participate safely in the space they have chosen.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for the M-NASR to guarantee absolute safety.

You should consult your physician or other health care professional before starting this virtual or in-person recreational program to determine if it is right for your needs. If you experience faintness, dizziness, pain or shortness of breath at any time while participating you should stop immediately. If you choose to participate with this virtual or in-person recreational programming, you do so at your own risk and acknowledge that the activity/program carries an inherent risk of physical injuries. To the extent permitted by law, M-NASR and its affiliates disclaim any and all liability in connection with the activity/program in this virtual or in-person programming and any instructions and advice provided.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation services and vehicle operations, when provided).
