It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity. I understand that it is my responsibility to ensure there is adequate space for my child/ward to follow the instructor's directions and movements safely and without the possibility of tripping or colliding with objects, furniture, walls, stairwells, or any other object that could pose a potential injury, and that each parent/guardian is solely responsible for assessing if they can participate safely in the space they have chosen.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for the M-NASR to guarantee absolute safety.
