# M-NASR Summer Day Camp 2021

## Welcome!

M-NASR is excited to provide in-person summer day camp options for families this season. While our programming will look different from our “traditional” M-NASR summer camps, we can’t wait to reconnect and provide a safe, therapeutic and fun summer for your child or teen!

We understand that families may have questions, so we will be hosting a virtual Q&A session on Thursday, April 15 on Zoom. You can register by clicking [here](#). We encourage you to join us so that we can answer your questions and share more information about why this year’s M-NASR summer day camps are a great choice! Please feel free to contact me at any time if I can be of assistance.

Regards,

*Lauren Ruiz*

## Virtual Camp

For all virtual camp sessions, Zoom meeting information and links will be emailed to you prior to the start of program. If you do not receive the link information 24 hours before the first program please contact M-NASR.

To download a printable form to help keep track of your Zoom meetings, click [here](#).

## In-Person Camps

In-person program capacity is limited to seven campers to allow for compliance with proper physical distancing guidelines. Facility or room size may also further reduce capacity. If a camp does not meet the minimum of four participants, M-NASR reserves the right to cancel it.

Prior to registering for in-person camps, participants must complete a **Participant Assessment Form** if they have not done so already. Please make sure to read M-NASR's **Safety Guidelines and Eligibility Requirements** on pages 10–13 before completing this assessment. If a camper is not eligible for in-person programming, we encourage registering for Virtual Variety Camp. Details can be found on page 9.

## Transportation

Pick up and drop off transportation is available for M-NASR's Quest for Adventure and Sunshine Experience camps. See page 8 for more information and pricing.

## Caregiver Companion Option

We understand that it may be difficult for some of our campers to meet all specific eligibility requirements, so we are offering an option for a caregiver to attend in-person programming with their camper at no additional cost. Please note this option is being provided on an extremely limited basis due to small maximum group sizes at each camp. This caregiver would be responsible for ensuring that the camper is following all safety guidelines and must be the same person attending throughout a two-week session.

Each situation will be assessed on a case-by-case basis. If you are interested in having a caregiver attend camp with your child, please contact Lauren Ruiz to discuss details and eligibility. Caregivers must register for the camp sessions they will be attending.

## Transportation

For an additional fee, M-NASR will be offering pick-up and drop-off points for M-NASR's Quest for Adventure and Sunshine Experience camps. Limited spots are available, therefore transportation requests must be made at the time of camp registration and included on the day camp registration form.

Transportation will be provided to and from camp at 9:00am and 3:00pm only. For designated pick-up and drop-off points, M-NASR vehicles will remain at the points for five minutes after the scheduled time. After that time, the vehicle will proceed to the next point or its destination. Participants remaining at a drop-off point for an extended period after the scheduled time will be brought to the M-NASR Office for pick-up at the completion of the drop-off route.

As available spaces are limited, a lottery will be held on May 3 at 9:00am if camps or transportation reach their maximums, after which all registered participants will be contacted regarding the outcome. A minimum of two riders is required for M-NASR to provide transportation. Times may be adjusted due to registrations received. You will be notified in advance of any time changes. Transportation is not available at mid-day and is only available to campers residing within M-NASR boundaries. Participants will be seated with six feet of distance in between others on our vans. Each camper is required to independently remain seated with a seatbelt on and must keep a mask on throughout the ride.

## M-NASR Safety Precautions

Although recreation programs always have an inherent risk, M-NASR has taken several measures to promote safety and wellness in our programs.

- Programs will have maximum capacities to ensure limited, smaller group sizes.
- Staff must perform an at home self-health check every day prior to arrival at program.
- Participants and staff must wear face coverings at all times.
  - The only exception to this is when the program is outside, and staff and participants can maintain physical distancing of at least 6 feet.
- Staff will develop a pickup and drop off system for each program to ensure proper physical distancing.
- Staff will clean and disinfect frequently touched surfaces (tabletops, door handles, etc.) before and after activities and in between uses of different individuals.
- Participants will be provided a supply kit to limit the need for sharing.
- Toys and learning tools not able to be sanitized will not be used.
- M-NASR will take measures to promote 6-foot physical distancing like seat assignments, outdoor activities, barriers, and traffic flow patterns.
- Only registered participants and staff will be allowed to attend programs.
- To protect the participant and those they interact with, participants who do not adhere to program rules and the above guidelines may be removed from the program.

# M-NASR Safety Guidelines and Eligibility Requirements

## Participant Screening Protocols

Prior to admittance to the program area, parents/guardians/participants must provide M-NASR staff with verbal verification of completing the At Home Participant Self-Assessment (see page 13). This verbal verification by parents/guardians/participants will be noted by M-NASR staff. If a participant exhibits any symptoms on the checklist or answers yes to any of the questions they will not be allowed to participate in the program. If the answer to any of the questions is "yes," the participant will be asked to leave and not return until cleared by a medical professional.

## Hand Washing

Participants and staff will be asked to wash or sanitize their hands upon entry to the program room or area and throughout the day at transitions or specific intervals. Hand sanitizer will be readily available at each program site. Participants must be able to independently comply with these requests.

## Face Coverings

Both M-NASR staff and participants will be required to wear face coverings when 6 feet of distance is not possible and/or during indoor programming. Each program and situation will be assessed separately, and staff will indicate when face coverings are necessary. When utilizing a member district facility or community venue, M-NASR staff and participants will be required to follow facility-specific guidelines in place. Participants must be able to independently put on and take off their face covering.

Participants will be required to provide their own face covering. Face coverings should: 1) Fit snugly but comfortably around the face, 2) Be secured with ties or ear loops, 3) Preferably have multiple layers of fabric, 4) Allow for breathing without restriction, 5) Be clean. Disposable face coverings should not be worn more than one time. Fabric face coverings should be laundered regularly.

## Physical and Verbal Reminders of Distance

M-NASR staff will provide verbal reminders for physical distancing as needed throughout the program. When possible, physical and visual reminders will be used as well. Examples include changing the location of equipment and furniture to allow for distancing, taping areas/markers on the floor, creating physical barriers and displaying signage with reminders/expectations.

## Pick-Up and Drop-Off Procedures

### Drop-Off process

- Driver pulls up to the designated meeting location where M-NASR staff will greet them.
- Driver will remain in the car with participant to give M-NASR staff verbal consent of completing the At Home Participant Self-Assessment before leaving.
- Only the participant will be permitted to enter the program area.

### Pick-Up process

- M-NASR staff will watch for parents/guardians to pull up to the designated area.
- Driver pulls up to the designated meeting location where M-NASR staff and participant will greet them.
- Driver will remain in the car.
- Participant will be directed to their vehicle.

# M-NASR Safety Guidelines and Eligibility Requirements

## Equipment/Supplies Use

To reduce the sharing of items, M-NASR will provide each participant with their own kit for each program requiring equipment. If items will be used by more than one individual, disinfecting will occur between each use.

## Personal Belongings

M-NASR will ensure that participants' belongings are separated and in individually labeled storage containers, cubbies or areas. Personal belongings must be taken home each day to be cleaned. When possible, belongings will be separated 6 feet apart.

## Food

For full day camps, participants should bring food in disposable containers. Containers will be put in the trash after use. Participants will not be allowed to share food. Participants should bring a refillable water bottle, which should be taken home at the conclusion of each program.

## Cleaning and Sanitation

M-NASR will be following enhanced cleaning guidelines at facilities. High touch areas will be cleaned prior to the start of each program. M-NASR staff will clean and disinfect any shared equipment (such as chairs, tables, mats) daily. High touch surfaces will be disinfected after each use. Disinfecting wipes will be readily available. All cleaning products and methods will follow Centers for Disease Control recommendations.

## Communicable Disease Procedures

M-NASR will utilize communicable disease procedures developed with guidance from local health departments and CDC regulations. Due to the serious nature of COVID-19 and specific prevention recommendations M-NASR has updated our policy to accommodate COVID-19 related considerations. The policy has been developed for quick response and containment with the highest level of confidentiality. In the event of an outbreak those considered at risk or who may have come into contact will be notified. To protect the identity of the person infected, only necessary details regarding the situation will be communicated. M-NASR asks that all participants and families cooperate in any investigation or tracing efforts M-NASR may conduct.

## Exposure or Symptoms

In the event a participant displays or develops symptoms of COVID-19 during a program, M-NASR staff will follow the procedures outlined below to isolate the individual until they can be picked up from the program site.

- If not already wearing a face covering both the participant and staff must wear a covering.
- A staff member will remain with the participant at a safe distance while reaching out to the emergency contacts and then waiting for them to arrive.
- Parents/Guardians or emergency contacts are required to pick up within 30 minutes of the initial call, preferably much sooner.
- The participant displaying symptoms will be removed from the group to a location that is a safe distance from others.
- If the facility has a designated isolation room, the individual displaying symptoms will be taken to that room until he/she can be safely picked up.
- Participants will be required to have multiple emergency contacts to ensure that someone is available to pick them up if the need arises.

## Response to Known Cases or Exposure

If a participant has someone in their household who is symptomatic or has tested positive for COVID-19 or has been exposed/ in contact with someone with confirmed COVID-19, they should stay home and self-quarantine per CDC guidelines, and should seek a COVID-19 test. "Close contact" includes household contacts, intimate contacts or contacts within 6 feet for 15 minutes or longer unless wearing N95 mask during period of contact. If a participant

## M-NASR Code of Conduct Policy

### Behavior

All participants and family members are expected to exhibit appropriate behavior at all times while participating, spectating or attending any program or activity sponsored by M-NASR. This includes participation in programs that may or may not require an admission fee. For the purpose of the Code of Conduct, the term "program" refers to all recreational events you may attend as a participant, spectator or visitor, which are sponsored by MNASR.

Participants and family members shall:

- Show respect to all participants, family members and program staff and/or supervisors.
- Not possess any weapons.
- Refrain from using abusive or foul language.
- Refrain from causing bodily harm to self, other participants or program staff/supervisors.
- Show respect to equipment, supplies and facilities.
- Will not elope or run away from program staff or facility.

### Discipline Policy

A positive approach is used when disciplining. Program staff may discuss the Code of Conduct with all program participants prior to the start of the program and will periodically review the Code of Conduct. If inappropriate behavior occurs, staff will develop a solution specific to each situation as it arises. M-NASR reserves the right to dismiss a participant whose behavior endangers them or others.

### Participant Expectations

1. Clean, dry clothing.
2. No bowel/bladder problems upon arrival at the transportation location or program. If this is a concern, extra clean clothing, clean-up supplies and Depends™ garments or similar items must be sent with the participant.
3. Attention to body odor (should smell clean).
4. Clean hair, face, teeth, hands, nails, etc. (overall appearance should be clean).
5. Appropriate attire for program participation (i.e. tennis shoes, warmups or loose/comfortable fitting clothing for athletic/sports/exercise programs). If you have questions about the type of attire participants should wear for a particular programs, please contact our office.
6. M-NASR staff will also be consistent in stressing personal hygiene while participants are in our programs and will not return participant(s) in an unclean manner at the end of a program.

### Equal Access

No eligible participant shall, on the basis of race, creed, national origin or disability, be denied equal access to programs, activities, services or benefits or be limited in the exercise of any right, privilege, advantage or opportunity. If any special accommodations are necessary for participation in any program or to receive any service provided by M-NASR, please notify the staff upon registration.

### Wellness Policy

In addition to our COVID-19 guidelines outlined in pages 10–13, in consideration of other participants and the M-NASR staff, to prevent the spread of contagious illnesses, it is requested that participants refrain from attending programs when any of the following conditions exist: Vomiting within the last 24 hours, persistent diarrhea in conjunction with other symptoms, contagious rash or rash of unknown origin, persistent cough and/or cold symptoms, "pink eye" (conjunctivitis) or discharge from eye, symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo or coxsackie virus, runny nose with yellow or green discharge, lice/mites present or fatigue due to illness that will hinder participation and enjoyment in the program.

### Parent/Guardian Pick-Up/Drop-Off Policy

To eliminate additional staff costs, please pick up participants at the designated time. A late fee will be assessed if pick-up is not on time. A fee of \$10.00 for the first 15 minutes and \$1.00 each minute thereafter will be charged.

## **Americans with Disabilities Act (ADA)**

Please keep this information in mind when registering: Services, programs and activities of the Maine-Niles Association of Special Recreation are subject to all applicable laws regarding nondiscrimination, including the Americans with Disabilities Act (ADA). Programs are provided through the Association by offering classes for individuals with similar impairments. However, classes are open to any individual as long as age and skill requirements are met. If you, a family member or friend has a disability and are interested in participating or attending member park district programs or activities, each park district will make reasonable accommodations to facilitate that opportunity.

## **Reasonable Accommodations**

Member agencies may offer reasonable accommodations by: Providing communication aids and services, removing barriers, selecting available alternative activity sites or taking other appropriate actions. To assist us in making reasonable accommodations, we urge you to contact M-NASR to provide for your individual needs.

## **Augmentative Communication Devices**

M-NASR staff are interested in learning how to assist participants with communication aids at our recreational programs. We will work with you and your therapist to train our staff on the proper and safe ways to use their devices. Please contact M-NASR for additional information.

## **Liability Information**

Please recognize that M-NASR does not carry medical accident insurance for injuries sustained in its programs or at its facilities. The cost of such could make program fees prohibitive and could result in the reduction or elimination of certain programs and facilities. Therefore, each person registering themselves or a family member should review their own health insurance policy for coverage.

Participants and parents of participants must recognize that there is an inherent risk of injury when choosing to participate in recreation activities. M-NASR continually strives to reduce such risks and hold the safety of participants in the highest regard. Certain programs offered by M-NASR will require a high risk waiver to be filled out and signed by participants or legal guardian prior to the start of a program. Programs requiring this waiver include but are not limited to: gymnastics, overnight trips, sledding, skiing, ice skating, canoeing, martial arts and paddling. Program staff will provide all registrants with a waiver after registration.

Due to the difficulty and high cost of obtaining liability coverage and to continue our commitment to provide recreational services, M-NASR requires the execution of the Waiver and Release found in the registration form. Your cooperation is greatly appreciated.

## **Program Eligibility**

M-NASR employs experienced professionals who understand the level of skill, both physical and mental, needed to participate fully and safely in the programs they plan. Therefore, M-NASR reserves the right to determine if a program is suitable for an individual. Staff may serve as a resource to suggest alternate programming.

## **Extreme Temperature Policy**

Hot temperatures (for outdoor programs) at program time: 94° actual temperature; heat index of 98° or more constitutes cancelling program due to unsafe conditions. Extra consideration will be made for outdoor programs that require physical activity.

# M-NASR General Policies

## Refund Policy

- Program refunds are issued on a monthly basis.
- Refunds for credit card transactions will only be issued in the form of a credit back to the original credit card.
- Refunds will only be issued to the entity that originally paid for the program.
- Refunds will not be issued to anyone receiving M-NASR scholarship dollars when a program is cancelled or a participant is unable to attend.

Please read the following information to see if a refund is due:

1. If the Association cancels a program, a refund will be issued or the program will be rescheduled unless it is weather-related. M-NASR weekly programs and special events may be cancelled due to inclement weather. When a program is cancelled, each participant will be notified by phone. Weekly programs cancelled due to inclement weather are not rescheduled. Refunds will be issued for weather cancellations of two or more times per season. Special events and social clubs that are cancelled due to inclement weather will be rescheduled or refunded.
2. If a participant cancels out of a weekly program with two full business days' notice prior to the start of the program, a refund will be issued (less \$5.00 cancellation fee).
3. Satisfaction Guaranteed Program: Participants will receive a full refund if there is dissatisfaction for any reason, with the program, after the first class session, but before the second class session.
4. After a program or activity has started, a pro-rated refund will be issued for medical or unavoidable circumstances such as transfer of job, moving, death in the family, etc. Proof may be required in writing.
5. For one-day classes, workshops and special events, if a participant cancels out of a program with two full business days' notice prior to the start of the program, a refund will be issued, less \$5.00 cancellation fee and any overhead cost items which the Association cannot retrieve.(i.e., tickets purchased in advance, airfare, hotel cost, etc.).
6. If the reason is for medical or an unavoidable circumstance, proof may be required in writing prior to a refund being given.

## Errors and Adjustments

While we try to be accurate in presenting information in our brochure, some unavoidable errors or changes to the programs, fees, schedules and other information may occur. M-NASR apologizes for any inconvenience.

**Please note that masks and social distancing are required for all M-NASR in-person programs. Safety is a top priority at M-NASR!**
